

New Zealand Migration and Investment Forum

Are you considering migrating overseas?
Sending your children overseas to study?

New Zealand cities consistently rank amongst the top cities in the world to live in, the easiest place in the world to start a business and the top ranked country for investor protection. There are now new opportunities for investors and businesspeople to gain New Zealand PR. Hear experts from New Zealand discuss the following topics:

- Why choose New Zealand PR?
- Not all "Permanent Residencies" are permanent
- Investment options to fulfil PR requirements
- The NZ residential property market: up or down?
- Tax implications of investment/migration
